

RESPONSE AND REMARKS

The Office Action, dated April 5, 2006, issued a Restriction Requirement, construing the following two (2) groups of claims:

Group I: Claims 5, 6, 8-16, 18-20, 26-31, and 33-43 as being drawn to a method, system and computer program code for managing shipping for formatting and displaying a shipping label, classified in class 705, subclass 1;

Group II: Claims 7, 17, 32 and 44-55 as being drawn to a method, system and computer program code for printing dimensionally accurate [images], classified in class 705, subclass 1.

In the Office Action, Invention I was construed as comprising the following two species:

Species a. Claims 5, 6, 8, 9, 15, 16, 18, 19, 30, 31, 33, 34, and 39 as being drawn to a method where the resolution corresponds to a display device; and

Species b. Claims 10, 11-14, 20, 26, 27, 30 and 40-42 as being directed to sending a test image and receiving user input to determine the graphic resolution characteristics.

Claims 38 and 43 were construed as generic.

Claims 1-4, 25, and 28-29 were previously cancelled. Claims 21-24, 36 and 37 were previously withdrawn.

In the Office Action, it was indicated that, in the event that Invention I is elected, an election between the two above-identified species (a and b) would also be required.

Pursuant to the restriction requirement issued April 5, 2006, and in accordance with 35 U.S.C. 121 and 37 C.F.R. § 1.142, Claims 7, 17, 32 and 44-55, construed in the Office Action as Group II are hereby formally elected for further examination; Claims 5, 6, 8-16, 18-20, 26-31, and 33-43 corresponding to the non-elected Group I are hereby withdrawn from examination without prejudice to the filing, during the pendency of the present Application, of a divisional application directed to the non-elected Group I or to other previously withdrawn claims in accordance with 35 U.S.C. §§ 120 and 121 and 37 C.F.R. § 1.142.

CONCLUSION

In view of the election above, it is respectfully requested that further examination of the present application proceed for Claims 7, 17, 32 and 44-55.

Respectfully submitted,

KHORSANDI PATENT LAW GROUP, ALC
